

Note: We will be recording all Bootcamp Sessions. Anyone not wishing to be recorded should mute their video or disconnect.

HAM BOOTCAMP

Nashua Area Radio Society

Fall 2020

©Nashua Area Radio Society and AB1OC, All Rights including recording in any form are reserved.

What is Bootcamp?

- An activity to help you build a station and get on the air
- A chance to learn about what you can do with your license (or why you might want to have one)
- An opportunity to ask questions of experienced Hams and learn about Amateur Radio
- A great place to have some fun with Amateur Radio!

The Nashua Area Radio Society

- One of the largest Amateur Radio Clubs in New England - Currently 275+ members
- Our Mission
 - Encourage and help people to become licensed and active in Amateur Radio
 - Spark Interest among Young People in STEM Education and Careers through Amateur Radio
 - Provide training and mentoring to enable our members to improve their technical and operating skills and to be prepared to assist in times of emergency
 - Sponsor on-air operating activities so that our members may practice and fully develop their operating skills and have fun with Amateur Radio!
- 2019 Dayton Hamvention® Club Of The Year, ARRL Spotlight Club for Mentoring
- We are a 501(c)3 Non-Profit Charity
